Object of The Exmoor Society

To promote the conservation and protection of Exmoor National Park for the public benefit.

This will be achieved by:

- protecting, promoting and enhancing its landscape, wildlife and historic environment;
- safeguarding public access and recreation appropriate to the National Park
- scrutinising policies which affect Exmoor;
- contributing to the Town and Country planning system, and monitoring its application;
- acting as a resource centre for obtaining and disseminating information;
- recording, studying and publishing information on aspects of Exmoor;
- promoting an understanding of Exmoor;
- encouraging activities beneficial to local communities and the wider public.
