

## **60<sup>th</sup> Anniversary**

The Exmoor Society will be 60 years old in October 2018 so please help us celebrate this anniversary.

What makes Exmoor, or a particular place on Exmoor, special to you?

Please send us a piece of prose or poetry, or a sketch, painting or photograph to illustrate your reasons or particular choice.

Please ensure, if it's a literary entry, that it fits A6 size (postcard) – that's a quarter A4 standard sheet of paper or 148 x 105mm. We are able to scan photographs/sketches/paintings up to A3 size and reduce them for publication but the larger they are the more detail will be lost through this process.

We will print a selection in the 2018 *Exmoor Review* (published October this year) and put them all on our website. Please let us know on submission if you do not wish your entry, and/or your name and location area (but not your full address) to be published.

**Please send your entries by 31 May 2017:**
